

Save Davis Kickabout

**Help Buy this Area for the Community to Protect
it from Development**

Public Auction now due 22nd April 2021

Why?

The original developer was required to keep this as an open space for the residents. The builder is in administration and their assets being sold. The Kickabout (area below Larkhill Rise down to the play park) is due to go to auction. We are putting together a package to buy it on behalf of the Community. We need your support to help save it.

Who are we?

We are Badger Farm and Oliver's Battery Residents' Community Association (Registered Charity No. 279592). We are run by and for the benefit of the community. We are based in Badger Farm Community Centre, Badger Farm Road, Winchester SO22 4QB tel. 01962 868630

Your support is Urgently needed
