

Entry Form

Oliver's Battery Easter Egg Hunt - Easter Sunday 17th April

Start & Finish St Marks Hall

The event opens at 12:30pm & closes 5pm, there is NO mass start, start when you and your family are ready. This will allow families to participate in more than one event if they wish: infant, junior and open.

Entry Fee £1/each for Infants & Juniors, £2/each for each Open Course.

Entry Forms can be returned to Alexandra Sports, Barlows the Butcher or the Post Office. Cut off date Wednesday 13th April. This is to allow the appropriate amount of resources to be purchased and printed. A limited amount of entry on the day may be possible.

All entrants will receive an 'Easter Egg' on Completion (subject to dietary requirements).

Infants (Y2 and below): On Oliver's Battery Green. Suggested time approx 30-40 minutes. Adult Supervision required. The Infant Easter egg hunt will involve Shape & Colour recognition.

Juniors (Y3 - Y6): Route will remain within 300m of Oliver's Battery Green. Suggested time approx 1 hour. Approximate length 1km. Appropriate Supervision will be required as this will involve road crossings within Oliver's Battery. This will involve a local map and finding & logging the clues found.

Open Event SHORT COURSE (Y7 and ALL ages above!): Short Course 2-3km, all urban, all within Oliver's Battery Settlement. If you can walk from the top of Oliver's Battery to the bottom and back, this is for you. Suggested walking time approx 1 - 1.5 hours. This will involve a local map and finding & logging the clues found & will have a more orienteering feel to it. For those wishing a faster pace there will be a Trophy for the fastest completion.

Open Event LONG COURSE & other important details PTO

Cut_____Cut

Name: Contact Number:

No. of Infants at £1/each No. of Juniors at £1/each

No. of Short Open at £2/each No. of Long Open at £2/each

No. of Diary Eggs or Similar.... No. of non Diary Eggs or Similar
(Please detail requirements on the back of this slip.)

GDPR: This data on this return slip is only for this event & will not be retained

Entry Form

Open Event LONG COURSE (Y7 and ALL ages above!): Long Course 5km, part urban part rural, all within Oliver's Battery Parish Boundary. If you can walk from the top of Oliver's Battery to Yew Hill and back, this is for you. Suggested walking time approx 2 hours. This will involve a local map and finding & logging the clues found & will have a more orienteering feel to it. For those wishing a faster pace there will be a Trophy for the fastest completion.

Y7-Y9 age Group:

It is the parents **responsibility** to decide if their Y7-Y9 child needs to be accompanied on either of the Open Courses.

Clue Locations:

For the Junior, Short & Long Course Open Events some of the Clues will be found in local residents' front gardens and respect must be given at all times to residents' property. No dogs in residents' gardens.

Why a Fee? Why an Entry Form? Why a cut off date?

The fee is to partially cover the cost of this event and the cut off will allow the appropriate resources to be purchased. For those who cannot eat chocolate then their stated dietary preference will be accommodated as far as possible.

This is an ON FOOT FUN event. No assisted transportation unless the entrants' mobility has these requirements. The Open Long Course is rural and rough under foot for approximately half of the course.

& MOST IMPORTANT - NO mass start! This means you can fit this in around other family commitments, between 12:30pm to 5pm. This also means that it would be possible for parents to complete several courses over the afternoon, for example Infant or Junior plus an Open Course.
